Dear Parents

May 2013

Oxford Academy joins global community of Cambridge schools

As you know Oxford Academy has been awarded Cambridge International School status by Cambridge International Examinations and is now approved to offer Cambridge programmes and qualifications, including Cambridge IGCSE.

Cambridge International Examinations is the world’s largest provider of international education programmes and qualifications for 5 to 19 year olds. It is part of the University of Cambridge, one of the world’s top universities and trusted for excellence in education. Cambridge programmes and qualifications are taught in more than 9000 schools in over 160 countries.

Michael O’Sullivan, Chief Executive of Cambridge International Examinations, said: “We are delighted to announce that Oxford Academy has joined our global community of Cambridge schools. We look forward to a long and productive relationship which will be of great benefit to learners throughout the region.”

Cambridge programmes and qualifications are recognised and valued by universities and employers around the world. Cambridge helps schools deliver the best education possible by providing comprehensive support, including teacher training, classroom resources and membership of a global learning community.

To prepare for the year 11 IGCSE public examinations the school is delighted to have approved Mr Errol Ruiters as the designated IGCSE Examinations Officer. As an experienced teacher and Year 11 Form tutor, he will play a pivotal role in administering the IGCSE Exams, ensuring compliance with Cambridge regulations. Errol said “Oxford’s accreditation is testimony to the determined hard work of all the IGCSE teachers and demonstrates just how far the school has come in the last year; we are now able to offer a suite of IGCSE subjects and a seamless education for children from KG to University entrance - which is excellent”.

If you have any questions about the IGCSE programme, please do not hesitate to contact Errol or any one of the Senior Management Team.

Kind Regards,

Jonathan Shellard

Principal
